**Take advantage of Alliance4Life partner organisation offer and measure up to**

**€5,000 for free**

### **How do I get this funding**

Interested researchers can apply from **1 April 2022 until 15 June 2022**. The total financial allocation of 95 000 EUR, will be distributed among selected projects and will enable the participating researchers to take advantage of unique technologies and expertise available at one of the partner institutions. Researchers of all career stages including PhD students and master students can participate in this call! Are there any strings attached? Not really. Researchers need to submit just a simple 2 pages long call application that will take them about 30 minutes of their time and provide a 2 pages long report at the end of the project.

**Deadline for receiving applications: June 15, 2022**
